

BASMA JAVAID, PA-C

Board-Certified Physician Assistant

A board-certified physician assistant, Basma joined DMG in 2014. She completed her undergraduate degree at Loyola University in Chicago and went on to complete her medical training at Keiser University in Fort Lauderdale. She strives to treat her patients with compassion and a caring attitude.

Basma works with patients who have various spine conditions and chronic pain to help establish the best treatment plan for them. She works with conditions such as spinal stenosis, compression fractures, rheumatoid arthritis, opioid management, facet arthropathy, degenerative disc disease of the spine, arthritis, SI joint dysfunction, spondylolisthesis, spondylosis, and herniated discs.

In her free time, Basma enjoys cooking, baking and spending time with her friends and family. She also enjoys watching movies and traveling. She is a member of the American Association of Physician Assistants and the Illinois Association of Physician Assistants.
