

**KARUNA  
SACHDEVA, PA-C**  
*Board-Certified Physician Assistant*

Karuna is a board-certified Physician Assistant. She started with DuPage Medical Group in 2015 after relocating from Michigan where she worked in neurology and sleep medicine for two years. Karuna has a dual Bachelor's degree in Psychology and Science from the University of Michigan and Touro College of Health Sciences. She also has a Master's in Physician Assistant Studies.

Karuna evaluates and treats patients with various spine conditions. For patients that are recommended surgery, she first assists the surgeon in the operating room, and is then involved in the pre and post-operative care which leads to a seamless and coordinated care plan for her patients. She is devoted to providing compassionate care by listening to patients and understanding their concerns. She values education and ensures patients are given time to ask questions and have a full opportunity to learn. Karuna believes that the overall health of each patient is improved through clear understanding and awareness of their condition.

Karuna is a member of the American Academy of Physician Assistants. In her free time, Karuna enjoys reading, music, dancing, philosophy, spirituality, and spending time with family and friends.
