

## KEVIN WRIGHT, PA-C

*Board-Certified Physician Assistant*

Kevin Wright is a board-certified Physician Assistant who brings a wealth of experience to the The Spine Center of DuPage Medical Group. After graduating from Midwestern University in 2005, he worked for eight years with M&M Orthopaedics where he was a member of the joint arthroplasty, sports medicine, hand surgery and spine surgery teams. Additionally, Kevin has a background in athletic training which he completed at Anderson University in 2002. Currently, he assists Dr. P. Ronjon Paul and Dr. Nicholas Mataragas in the operating room.

Kevin strives to develop a realistic treatment plan that best fits the needs of each spine patient. He values the educational process and developing a treatment strategy together with the patient to determine the most effective option to attain their individual goals.

In the clinical setting, Kevin evaluates and establishes treatment plans for patients with spine conditions including herniated discs, degenerative disc disease, cervical myelopathy, scoliosis, spondylolisthesis, spinal stenosis, compression/burst fractures, facet arthropathy, sacral iliac dysfunction, spondylosis, and spinal sprains/strains. Kevin has been trained to assist in the latest minimally invasive spinal procedures including Extreme Lateral Interbody Fusion (XLIF), Trans Lumbar Interbody Fusion (TLIF), Posterior Lumbar Interbody Fusion (PLIF), percutaneous pedicle screw and total disc replacement. Kevin has been active in educating the nursing staff and mid-level providers on the evaluation of spine patients and minimally invasive procedures available for various spine conditions. Kevin has additional training in advance wound care/closure techniques, post-operative patient management and rehabilitative techniques.

In Kevin's free time, he enjoys working in his garden, camping, hiking, cooking, and spending time with his family and friends. Kevin is currently member of the American Association of Physician Assistants.
